

**NEW FROM EVEREST**

# WILL PREP

*Designed for Everest by EPOQ Legal*

**DID YOU KNOW** More than 55% of adults do not have a will.

And WITHOUT A WILL, your estate will be distributed according to the law. This can be a complex, time-consuming process requiring your family to hire a lawyer.

To help families avoid this problem, Everest is pleased to introduce a New Online Planning Tool, [WILL PREP](#).

Create customized legal documents that make your wishes known. Log-in at [www.everestfuneral.com](http://www.everestfuneral.com)

**Create** Wills, Health Care Directive, and Power of Attorney by answering a series of questions, each with helpful explanations and examples. Based on your responses, our system drafts and tailors the required clauses to create a document suitable for your circumstances.

**Save** documents in the My Documents folder, for easy access when you want to make changes.

**Print**, sign and store your documents in a safe location such as a Tenzing folder and/or safety deposit box.

**Note:** The first time you log in you will need to use the unique enrollment code contained in the Welcome letter. If you can't locate it, please call an Everest Advisor for assistance **1-800-913-8318**.

**Please check it out and let us know if you have questions.**

Will Prep provides helpful legal information specific to your State and is designed for families that need a "simple will." Clients that have a more complex set of circumstances to consider are advised to consult a qualified lawyer, and only use Will Prep to prepare for meeting with a lawyer.
